

Roof tiles to match the style and colour of the existing house. A lower roof pitch is utilised to align with the neighbouring property and mitigate height concerns on the highway-facing elevation.

Fascias and soffits in a soft blueish tone matching the existing building, with black UPVC gutters and downpipes.

Printed Scale Factor | 1mm : 50mm

Scale Valid When Printed At : Iso A2

Two Velux roof windows (w550mm x h780mm, Code: CK02) to illuminate the proposed home gym area.

External walls finished in silicone-based monocouche render, or equivalent, matching the existing house.

- Solid painted hardwood pedestrian side access door with vertical panelling, matching the existing house RAL paint colour code.

Builder to consider central buttresses as indicated. Structural integrity and Building Regulations compliance are the responsibility of the appointed contractor or structural engineer, not Noble Architecture.

The neighbouring terrace is approximately 450mm higher than the applicant's ground level. The Planning Officer is requested to consider this variation in their assessment.
